Action Plan for Working with Youth

Now that you have completed the professional development workshop, your attention is shifting toward creating a Skynet Junior Scholars Youth Group. As you reflect on implementation, take some moments to describe your action plan below. Thank you!

Your Sponsoring Institution

Start/End Dates:

What is your plan for recruiting youth?

Number of youth you expect to involve (min to max range):

Age range of youth you plan to enroll:

Describe the setting (Camp, After School, Regular meetings, Independent Youth, etc.), and your plan:

List Co-leaders, if any, who have also participated in the workshops:

How can SJS staff be of help as you implement your plan?

When would be a good time to touch base with you before you start your group?
